

SEIU 668 Member, Take Action Today!

Building—and maintaining—our political strength begins with you. If every SEIU 668 member contributes \$5 or \$10 per pay period to COPE, together as a union, we have the money to support our vision of a brighter Pennsylvania.

What is the SEIU Local 668 COPE Fund? COPE which stands for Committee on Political Education is a non-partisan Political Action Committee (501(c)(4)) fund made up of voluntary contributions from members like you. These funds are used to support pro-worker candidates on both sides of the aisle as well political work that benefits you. Dues money cannot be used for partisan political purposes but COPE lets us have a stronger voice in the political process.

With your COPE dollars, we:

- Help elect pro-union political candidates, who have been steadfast in their opposition to paycheck deception legislation, pension cuts, privatization, and bills that weaken public employee collective bargaining;
- Mobilize members to advocate for issues critical to working families, such as fair federal and state human service funding, on-the-job worker protections, raising the minimum wage, and more;
- Educate political candidates and politicians about the issues that matter to public employees and working families;
- Hold elected anti-worker politicians accountable by educating members about their records and mobilizing them to take action, in their districts, at the Capitol, and at the ballot box!
