## What is COPE?

The SEIU 668 Committee On Political Education (COPE) fund provides the resources for political activities. Union dues cannot be used for political purposes. Therefore, SEIU 668's COPE is a political fund used to support issues important to working families and hold politicians accountable.

## Why Should I Contribute to COPE?

Your generous contributions allow us to take political action to:

- Endorse and elect candidates who stand up for concerns important to working families;
- Hold politicians accountable at every level of government;
- Help our union build the political power to win strong contracts;
- Lobby for better benefits; and,
- Pass laws to protect our jobs.

Your COPE contributions are largely responsible for our political victories at the polls and at the bargaining table.
