TODAY'S DATE: March 17, 2020

TO: Office of Administration

FROM: Steve Catanese, SEIU Local 668 President

NAME OF GRIEVANT(S): All SEIU Local 668 rank and file members under the collective bargaining agreement and Supervisors under the Memorandum of Understanding

SHOP: Statewide, Class Action

DATE OF INCIDENT YOU ARE GRIEVING: Ongoing;

We grieve a violation of Article(s) 37 and any other appropriate Article of the Local 668 contract.

BRIEF STATEMENT OF THE GRIEVANCE

The Commonwealth is forcing employees across multiple classifications to work in inherently unsafe working conditions. Multiple work sites lack basic cleaning processes and recommended health policies as shared by the Commonwealth's Department of Health and Center for Disease Control and Prevention. The ongoing exposure of SEIU 668 members to unsafe working conditions is a clear violation of the contract.

REMEDY REQUESTED

We demand the Commonwealth remedy the contract violation by making the grievants whole, by adopting appropriate and full health and safety measures, and any other appropriate remedy.
